For Natural Cleansing

Your Digestive System Says It All... 80% of All Health Challenges Begin in the Colon

It has long been known that good health comes from the body's ability to digest nutrients and eliminate waste. The large intestine, or colon, can generate many health problems if not cared for properly. Research shows that over 65 different health challenges facing us today are caused by a toxic colon.

Are You Feeling Sluggish and Slow?

It all starts with understanding how important regularity is to optimal health. If you eat three meals a day, you should have three bowel movements a day. If you are not eliminating waste products from the body, then there is a buildup of excess waste matter that can collect and putrefy, causing a toxic colon.

Fiberzon™ is a synergistic blend of fibers and botanicals recognized for centuries for their cleansing properties. As an internal cleansing program, this special formula's blend of 15 Rainforest

herbs supports the body's intestinal hygiene, which is paramount to optimal health.

Works Like an Intestinal Broom!

- Supports overall intestinal health and digestion*
- Works like an intestinal broom to gently cleanse the intestinal tract and eliminate unwanted waste*
- Helps maintain healthy intestinal flora*

Designed as a detoxifying, energizing, and revitalizing program, each canister contains a one-month supply. Fiberzon™ is a powdered formula – available in regular or mint flavor – that can be mixed with water, juice or in your favorite smoothie. It is recommended as an on-going program for daily cleansing.*

DON'T IGNORE THE FACTS!

- Colon cancer is the fourth leading cause of cancer-related deaths in the United States.
- Digestive disorders kill 200,000 Americans every year.
- 25 million Americans per year see a doctor for constipation spending billions of dollars on laxatives.
- Digestive distress is linked to 90 million doctor visits annually and over 65 different health challenges.

But what if you're looking for a more aggressive formula that's still gentle on the body? Just try **Fiberzon Plus™!**

Fiberzon Plus™ is a synergistic blend of 16 organic Rainforest herbs including sangre de drago sap for enhanced intestinal

support. It is like our classic Fiberzon™ formula, with the addition of rhubarb root to encourage regular bowel movements and cleansing. This balanced formula helps nurture a healthy lining of the stomach and intestines, stimulates liver function, and supports healthy colon activity for elimination of toxins from the body.*

Note: Fiberzon™ and Fiberzon Plus™ can be used together or individually, depending on your preferred cleansing regime.

"I just have to rant about the Fiberzon™. I ran out and had to go without it for about 2 weeks. I was so uncomfortable! I got the Fiberzon™ yesterday, and took three small glasses throughout the day. By that evening I was fine! I am absolutely convinced that a person stores more toxins and waste than they even comprehend! Without the Fiberzon™ I was miserable. Yet, by getting the waste and toxins thoroughly out - regularly, I feel 100% better!"
