## ZAMU™ - A Premiere Income Strategy

Discover the simplicity of a ZAMU™ business and learn how to create a prosperous lifestyle for yourself and others. It's Easy to Learn, Fun to Share, and Profitable.

*Drinking ZAMU™ promotes a sustainable future for the Rainforest.*

## SHOWCASE HOSTS

### Bob Torsey

Bob Torsey achieved 'Gold Ambassador' with Amazon Herb Co. in record speed. He specializes in empowering others to success, having trained over 250,000 people ~ including serving as the National Training Director and Corporate Trainer for a network marketing company with sales in excess of \$1 billion annually. He predicts even greater success for Amazon Herb Company and its mission.

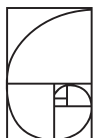

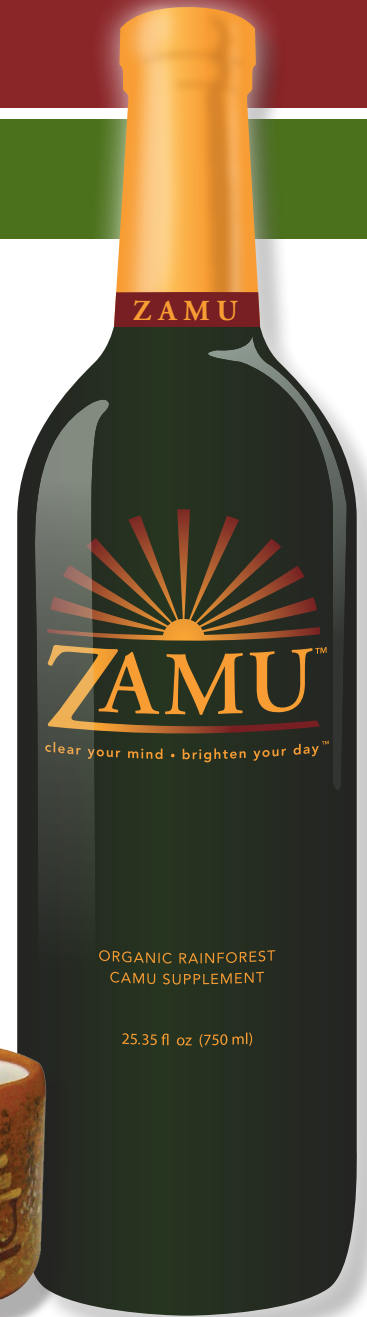

### Eddie Orzechowski

Eddie Orzechowski and his wife Kathryn achieved Bronze Ambassador with the ZAMU™ launch in the UK. Eddie retired early at the age of 50 following a successful corporate career where he won 'Top Performers' awards for 10 years running. He and Kathryn have traveled the world over the last 15 years and now champion the Amazon Herb Company mission and income strategy.

### Teresa and Colin Steventon

Colin and Teresa Steventon are professional training and business performance coaches who have published many nationally accredited UK training programmes. As seasoned networkers and team builders, with previous experience for a new product launch into the UK, Colin and Teresa are delighted to partner with an ethical and innovative company, whose mission to help keep the Rainforest alive is so vitally important!
